Education

2017 CFGS Desarrollo de Aplicaciones
Multiplataforma - IES Carles Vallbona

2011 Educación Secundaria Obligatoria -
IES Vilanova del Vallès

Experience

Full Stack Developer

Perception | 2019-2020

During this period of time I developed new functionalities on the website, such as sending a newsletter and graphical changes to the user interface. I was also in charge of the maintenance of different websites as well as the errors correction

CatalogPlayer | 2019

During this period I programmed using Angular, created desktop apps in Angular and Electron and, at the same time, I was working with an external client (Estabanell) also using Angular.

Everis | 2017-2018

During this period of time I was programming in Java, establishing the communications in between Front End and Back End with Hibernate and performing the different tasks from the Front End department.
